

ALS Society of PEI MEMBERSHIP

Activities of Members:

Members must work cooperatively with the ALS Society of Prince Edward Island and the ALS Society of Canada and shall maintain a high standard of conduct at all gatherings.

Special Membership:

Those individuals diagnosed with ALS that register with the ALS Society of PEI are automatically members. They will maintain their membership status for life with annual dues waived.

Immediate family members and caregivers may also complete the membership application with fees waived for the duration of the illness.

Application for Membership:

An application for Regular Membership is subject to the approval of the Executive. Upon approval, and the receipt of the assigned annual dues, a membership card will be issued each year of renewal.

The board reserves the right, by a vote of three quarters, to withdraw for cause, any Membership who in their judgement has not upheld it's privileges.

Annual Dues:

Membership fees are billed annually and are for a period of one year (January 1st to December 31st of each year). Annual Dues of \$5 has been established by the Executive.

Benefits of Membership:

The Association recognizes members as valuable volunteers. As such, these volunteers

- May attend "General Meetings", and "Annual General Meetings".
- Will have full voting privileges at these meetings.
- May be eligible to run for executive or director positions on the board (according to the by-laws).
- Will receive a copy of the Association By-Laws and any Partnership Agreements made with the ALS Society of Canada.
